Projects:

1. Animation & Movies:

"Made In India" - An animated short of how a failing NASA Mission was saved by an Indian Sardarji just by sheer common sense. Created in Kaawad style, a Rajasthani Art form.

"Not The BEST!" - An Animated short as my statement against this erratic behaviour of the BEST bus drivers!

"Pleasure" - An animated short based on my realisation while understanding Pleasure, that 'Pleasure is very innate & personal, and it differs for each individual!'

"The Climate Project" - An interactive presentation and a documentary for children about the Global Warming by The Climate Project group, did animation and editing.

"Embryology" - A part of "Joyful Motherhood" a video documentary by Scientica Life Sciences Pvt. Ltd.

Link to my movies: <http://www.youtube.com/ashwindongre>

2. Websites and Flash Movies:

- Website for Australia's best Aerial Photographer, Tim Mooney at <http://www.sydneywaterfronts.com> and <http://www.perthwaterfronts.com>, with an animated "Virtual Tour"; a small narrated presentation of their best-seller books.
- Flash movie for Trust Mail at <http://www.trustmail.in>
- Website for Pilates Center of Olympia with an animated interactive book preview at <http://www.pilatesatplay.com>
- Other websites & animations I designed and are now offline include for Green Apple Design, 4004 Incorporated, Frenzy Ryderz, Project Seminars Inc, Life Long Project, Cosmic Motors Nagpur, Careware Systems India, ALH, India

Many of these websites were selected as "The Featured Websites" on the biggest online Flash community "FlashKit.com"

3. Animated/Interactive Presentations:

- Designed & created animated interactive presentation "B R Films : The Next Level" for B.R. Film's 'Pix 'n Trix'
